We will give active support to the school program in every way and strive to be regular in attendance at parent meetings and other school functions to which parents are invited.

We have read the religious instruction section of the student handbook and agree to these concepts being taught to our child.

We agree that if our child should become involved in any trouble or if we disagree with any policy set by the school, we will in no case complain to any other party, and in the spirit of meekness, will register only necessary complaints with the teacher or administration (Matthew 18:15-17). LIBERTY CHRISTIAN SCHOOLS
Lifestyle Responsibilities Questionnaire

As a Christian school, Liberty Christian is committed to providing a "Christian Education for Life and Service." It is our conviction that learning and the Christian faith are inseparable. We are committed to the Bible as our standard of faith and practice. We believe that the Christian life is positive rather than negative. However, we also believe that it is in the best interest of the school to be specific with respect to certain standards.

Liberty Christian students are responsible to refrain from practices which are biblically condemned. In addition, students are responsible for upholding behavioral standards which exist for the betterment of the whole community. These require a member of the Liberty Christian student body to abstain from the possession and use of alcoholic beverages, tobacco, and illegal drugs. The Liberty Christian family refrains from all morally degrading aspects of the theater, entertainment media, and literature. Students are responsible to use care in their choice of entertainment. Grace Baptist students are also responsible for being faithful in church attendance, chapel and classes. All applicants accepted, will be supplied with a Student Manual. It is suggested that you read it carefully before enrolling.

School standards are designed to promote a community atmosphere conducive to growth. The school requires adherence to certain expectations in life style by all students--expectations which have come to be accepted as desirable standards of conduct by most Christian communities. While it is recognized that some may not have personal convictions wholly in accord with these responsibilities and standards, the purposes and ideals underlying them necessitate the student's willingness to modify his/her own personal conduct while a member of the student body, fully understanding that this is in the best interest of the academic community he/she has chosen to join.

Please answer "yes" or "no" to the following questions.

1. Have you ever been judged guilty of a criminal offense? _____

(A prospective applicant with a felony conviction will not be reviewed for acceptance until one year from the end of his/her parole and/or probation. Prior to application the candidate must provide documentation that he/she has been established in a community and involved in an evangelical church for at least one year. The school reserves the right to refuse admission to any applicant.)

2. Do you use, or have you used, alcoholic beverages? _____

3. Do you use, or have you used, narcotics or addictive drugs? _____

4. Do you, or have you ever used, tobacco on a regular basis? _____

5. Have you ever been suspended or expelled from another educational institution? _____

If you answered yes to any of the above questions, please explain on another piece of paper.

6. Do you believe in and practice a Scriptural code of Christian ethics with regards to sexual morality and social relationships? _____

I have read the above statements before signing this application and understand that falsification of information in this application may result in its cancellation or, if I am admitted, may be cause for dismissal.

I hereby certify that I have read the Grace Baptist Lifestyle Responsibilities portion of this application, and I will accept these responsibilities while I am enrolled at Liberty Christian Schools.
