October 2011

On the Move!

God is Good!

What a great month we've had! I'm excited about our first Student of the Month winners—they are highlighted in this newsletter. Our sports teams are in full swing, with some exciting

play on the courts and fields.

The wet weather signals the change of seasons and hints at holidays to come.

Students are settled into the school routine and, as of Friday, have completed the first quarter of school.

I'm thoroughly enjoying getting to know the students on a personal level. What joy in youth! How energizing to spend a few moments talking and laughing with a young person. I'm truly blessed to be in this position, and I continue to thank God and the Liberty community for the privilege.

The teaching staff had a fruitful two days of in-service. We focused on our Christian philosophy of education and how to incorporate our beliefs with effective teaching strategies to accomplish our high goals of spiritual development and academic excellence.

We are truly a school on the move, and I continue to be excited about what's happening here.

Thanks for sharing your kids with us!

God Bless You!

Calling all Parents!! Parent Club meeting!!

We are working to develop an active Parent Club. Thanks to Erin Paradis for volunteering to step in and help us get this off the ground.

Please plan on attending our first Parent Club meeting on **Thursday, October 27th at 7:00 pm** in the Fellowship Hall.

Our agenda will include ways for parents to get involved, but also to discuss items like:

⇒ Combining all tuition and fees into a single tuition amount for next year

⇒ Establishment of parent volunteer hours as a requirement

⇒ Help with activities like snack bar and boosters

⇒ Establishing a Parent Club family fee fund that would be spent at the discretion of the Parent Club

⇒ Electing officers

⇒ Your ideas

This club can be a powerful partner with the school to help in targeting needs and addressing parent concerns.

Don't miss this important meeting!

Oct 27th @ 7:00 pm—Fellowship Hall

Liberty Team Drama

Liberty Team Drama is well underway as the students prepare for a year of acting and performing in front of their class, peers, family, and strangers!

The students are learning about the art of acting and what is involved in making a program a success. One example of how the students are learning to show emotion and be a different character is by either reading or acting a

story out for the preschool children. (Which the preschoolers LOVE!)

Liberty Team Drama is working hard as they prepare for a Christmas program that your whole family will want to attend!

Come join us on December 6, 2011 as the students perform some traditional Christmas stories (told with a twist!) along with Liberty Singers blessing us with their music!

Spanish in Action

The Spanish 2 class went to the Guadalajara Mexican Restaurant on Monday, October 3. All the students had to speak only in Spanish to practice all the food/restaurant vocabulary they learned.

Each student had to order and pay for his/her own food. Some students had their mothers with them. Those students were required to ask for them also.

The students did a great job. They were engaged, polite, and very excited.

Some of them even tried to ask different questions to the waiters (for example:

what does the plate have? Where are you from? How do you say...in Spanish?) This is the fourth year that we have done this activity and students love it. The restaurant also gives us great service. They try to engage the students as much as possible.

News from 2nd/3rd Grades - Mrs. Sprague

We are currently studying God's design in botany and how it relates to the believer. As the roots establish the plant, so Christ establishes our lives in Himself. His great love that surpasses understanding, is all that we need to grow and become "producers" for his purpose according to Ephesians 3:17-18.

The students love to go to Miss Heather Taylor's day-care after school so Tanner asked if I would send him there. I told I had received no notice from

the office to send him today. His reply was quite emphatic, "Yes, I am going because I prayed. God will let you know."

(Faith in action?)

The children are appreciating the new carpeting that Mr. Rude put in before school. We daily pick up our messes, wipe our feet, and guard carefully what food is brought into the classroom. It smells so nice and fresh. It helps that the children no longer have to eat in the classroom.
